

## MAD LIBS

### *Little Women* Edition

Beth March arrived at the ED with complaints of red rash to the

\_\_\_\_\_  
(body part)

, high fevers with chills, sore throat and a headache. She

was accompanied by her sisters, Meg and Jo, who appeared

\_\_\_\_\_  
(adjective)

and unkempt. Beth had come into contact with multiple

\_\_\_\_\_  
(plural noun)

recently. Beth lost

\_\_\_\_\_  
(noun)

for more than 10

\_\_\_\_\_  
(length of time)

after her arrival.

After

\_\_\_\_\_  
(noun)

treatment and

\_\_\_\_\_  
(noun)

resuscitation,

Beth's

\_\_\_\_\_  
(noun)

normalized and she was able to

\_\_\_\_\_  
(past tense verb)

fully. Beth had other conditions, such as

\_\_\_\_\_  
(noun)

along with

fear of

\_\_\_\_\_  
(noun)

Mrs. March is expected to make \_\_\_\_\_ a recovery with some  
lifelong \_\_\_\_\_ . \_\_\_\_\_  
(plural noun) (noun)

Beth and her family were \_\_\_\_\_ on communicable \_\_\_\_\_  
(past tense verb) (noun)  
and how they are spread.
